EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Antoinette Konski on July 12, 2004.

Please delete all figures.

In the specification:

Delete page 11, lines 1-24, from "Description of the drawings..." to "...recombinant MVA."

On page 14, line 30, delete "(Figure 1A)".

On page 15, line 2, delete "(Figure 1B)".

On page 15, line 9, delete "(Figure 1C)".

Attorney Konski indicated that the U.S. application was filed without figures, and neither she nor the examiner can understand the origin of the figures which appear in the image file wrapper, unless perhaps they originated from a priority document. Therefore, all references to the figures, and the figures themselves, have been deleted.
